Housing Student Staff Positions Available for 2009-10

Community Assistant (CA)

Develops relationships with area residents. Manages facility and maintenance concerns after hours. Enforces university policy and role-models positive behavior. Reports to the Assistant Director of Apartment Housing and Life.

Desk Receptionist (Deskie)

Staffs the reception desk. Provides excellent customer service. Reports to their building's Desk Manager.

Management Assistant (MA)

Manages facilities and maintenance concerns after hours. Issues parking tickets to those in violation. Reports to the Housing Facilities Manager of their respective building.

Mentor

Assists in the implementation of the Learning Communities by planning programs and attending events. Lives in their Learning Community and reports to the Program Coordinator.

Program Coordinator (PC)

Implements the Learning Communities program in the Computer Science Learning Community, First-Year Experience, Forest Resources and Environmental Science, Summit House, Visual & Performing Arts Learning Community, Leadership Learning Community and International House areas. Supervises mentors. Coordinates programming efforts. PCs report to a Community Coordinator.

Resident Assistant (RA)

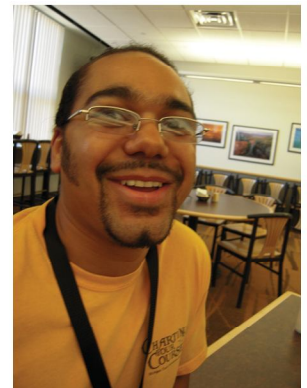

Leads a house of residents. Works with the house officers. Presents programs. Enforces hall and university policy and role-models positive behavior. Completes room inventories and duty rounds. Assists with community and roommate agreements. Participates in activities and supports campus events. RAs report to a Community Coordinator.

Student Custodial Supervisor

Assists in custodial concerns after hours. Reports to the Housing Facilities Manager of their respective building.

Student Custodian

Cleans dining rooms, stairwells, lavatories, and lounges. Keeps housing areas clean and safe. Has a flexible work schedule. Reports to the Student Custodial Supervisor. (To apply to be a Student Custodian, please contact a Housing Facilities Manager.)
